Oh
sosh--

huf

huf

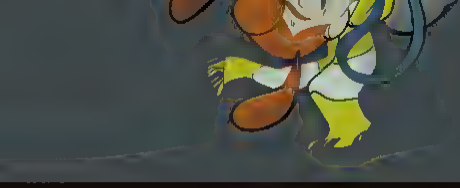
I've never run that fast before.

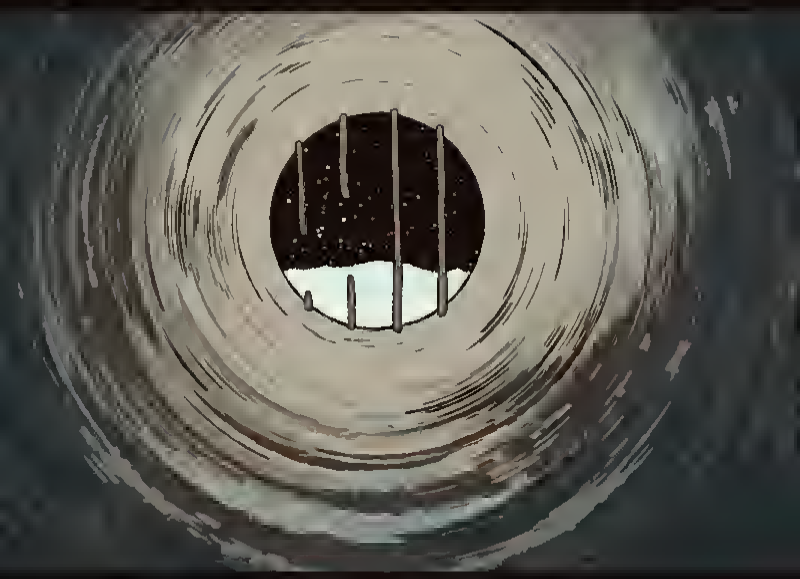
Got to calm my breathing...

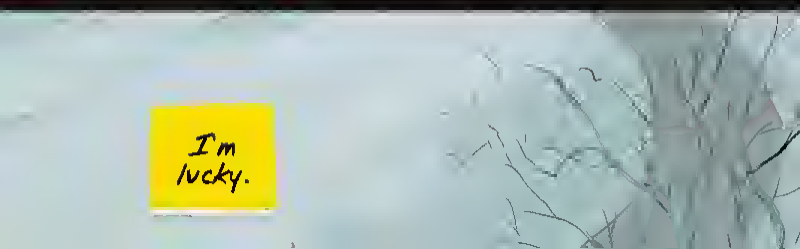
...or they'll
hear me...

ha...

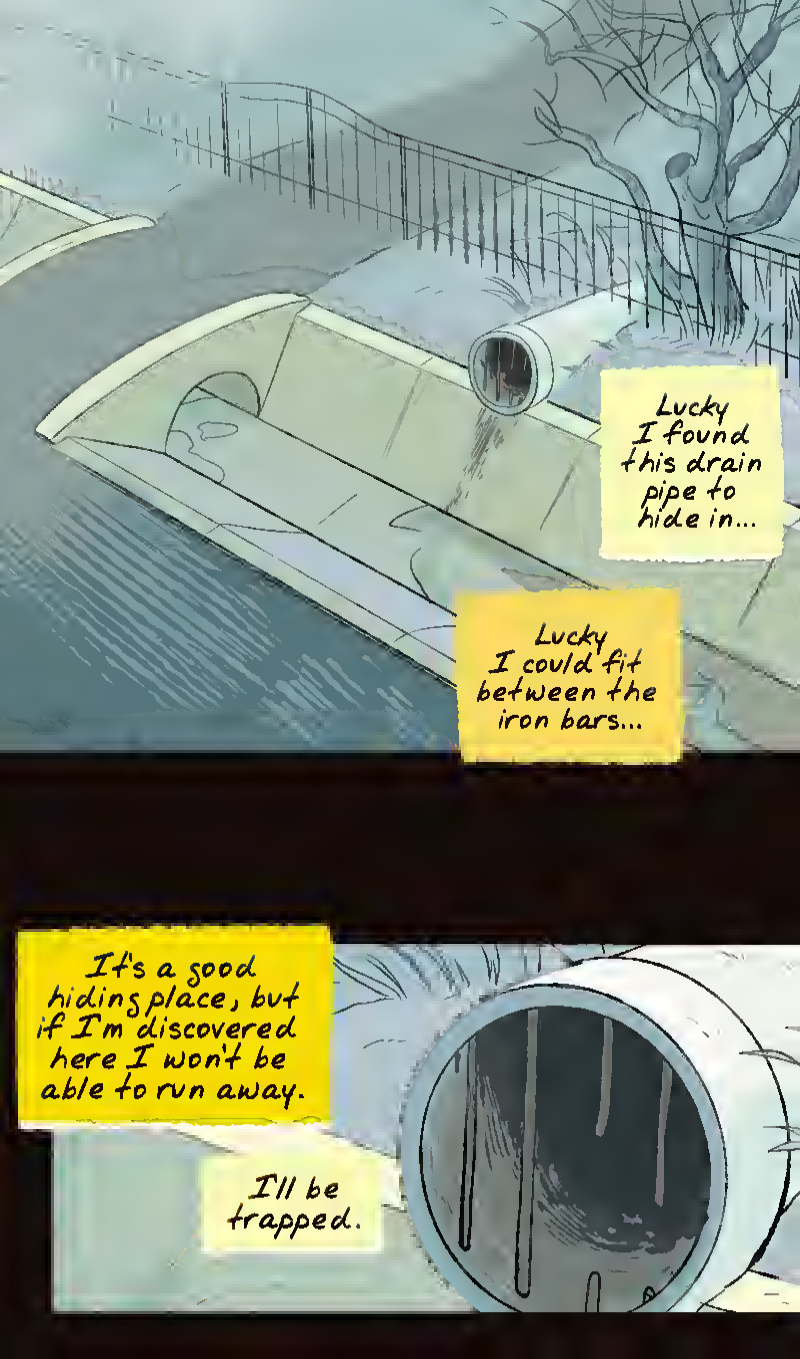
ha...





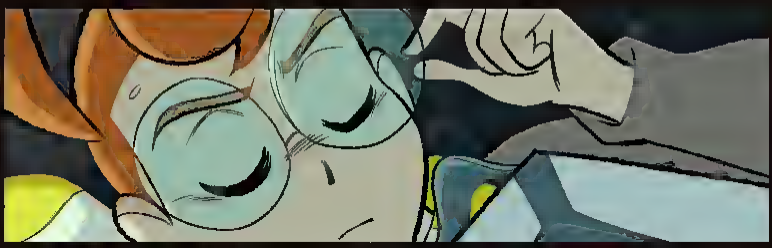


I'm
lucky.

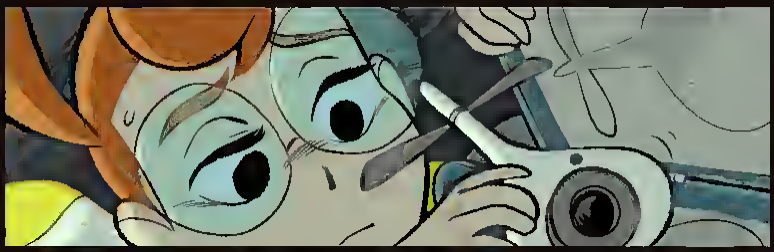


Lucky I found this drain pipe to hide in...
Lucky I could fit between the iron bars...
It's a good hiding place, but if I'm discovered here I won't be able to run away.
I'll be trapped.

I need to get out of here,
but I don't want to get shot.

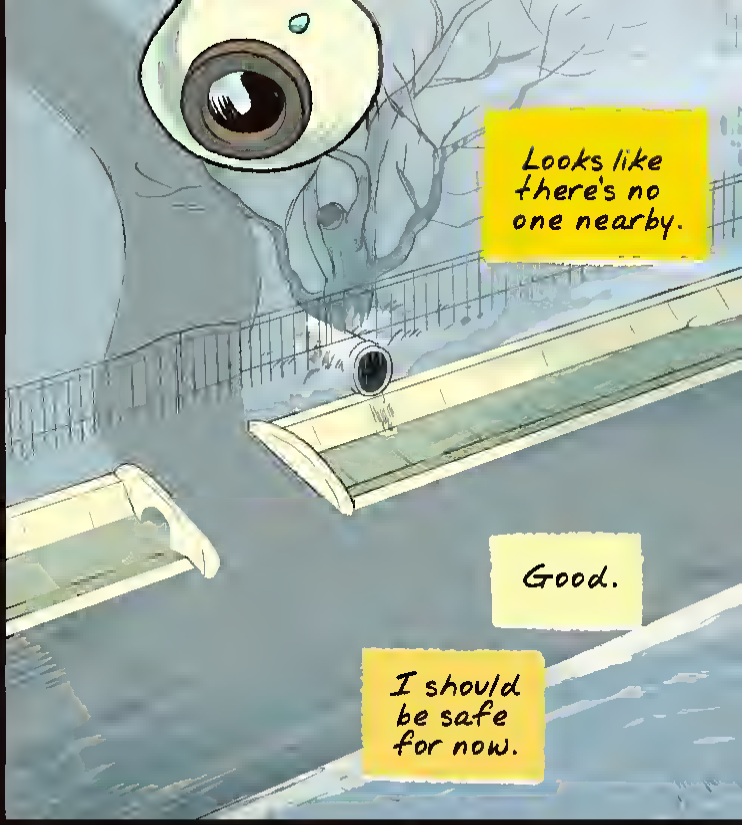


Maybe that's my fear talking.
Soldiers don't shoot civilians, right?



That woman with the piercing gaze--
she would shoot someone if given the chance.
I could tell.

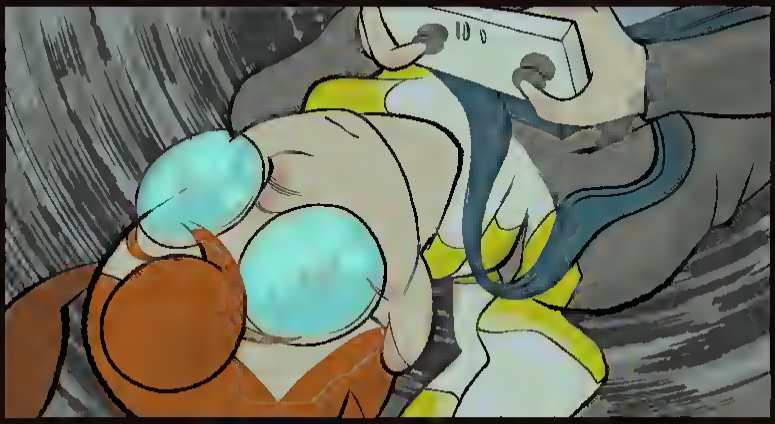
There was poison in her flavor.



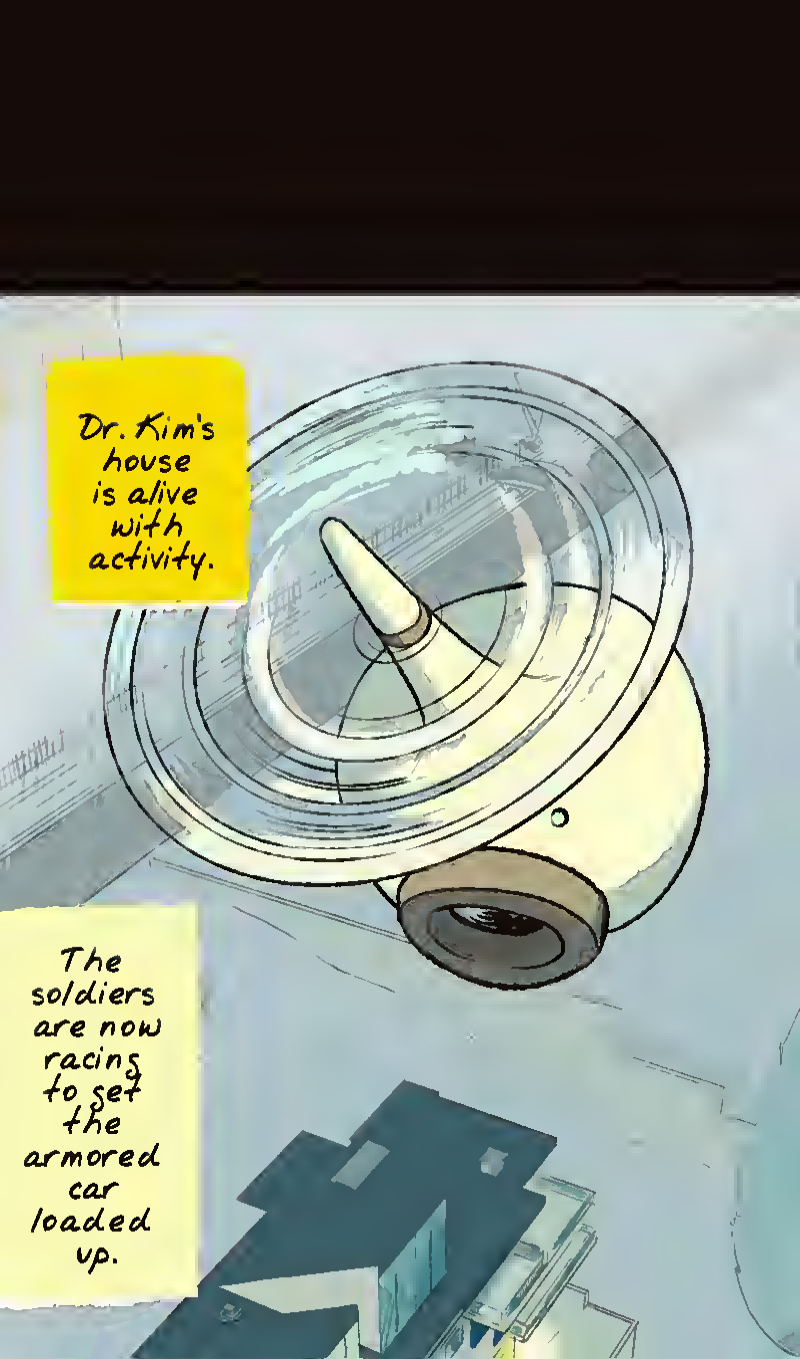
Looks like there's no one nearby.
Good.
I should be safe for now.

Gosh, it feels good to fly again.

I can almost imagine I'm not trapped in a cold, dark hole in the ground right now...



Almost.



Dr. Kim's house is alive with activity.
The soldiers are now racing to get the armored car loaded up.

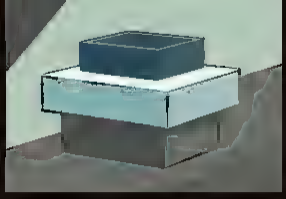
A few walk the perimeter, probably looking for me.
Just who are these people anyways?

They look military but I have no idea which branch.
Is Oliver part of this organization?
Maybe he's a top-secret robot soldier they built, or...
...I don't know.

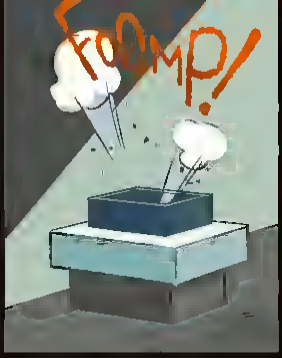
If I want
to find out more,
I need to follow
through with
my plan.

Okay.
Let's do this.

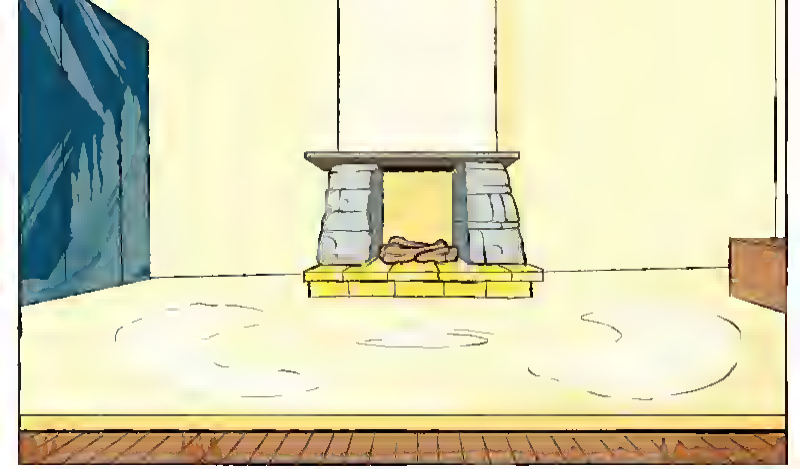
I'm safe, at least for now, and the drone seems to be working fine at this range.
It's time to solve the riddle of Oliver once and for all.

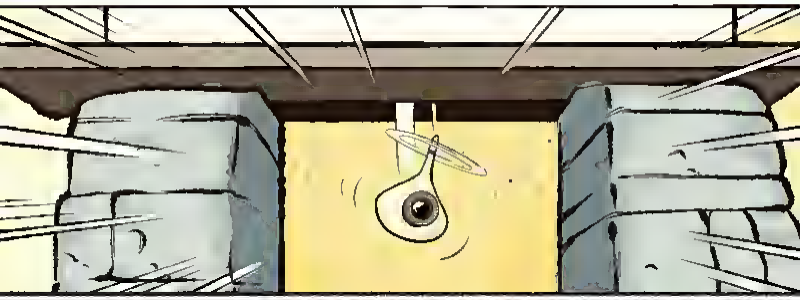


Hopefully Oliver's fireplace isn't lit right now.



FOOMP!





I'm in!

Wow, look at this place-- all the furniture is gone, and--
Oliver and Dr. Kim!
They're right there!

This is the first character design sketch I ever did for Oliver and Amy:

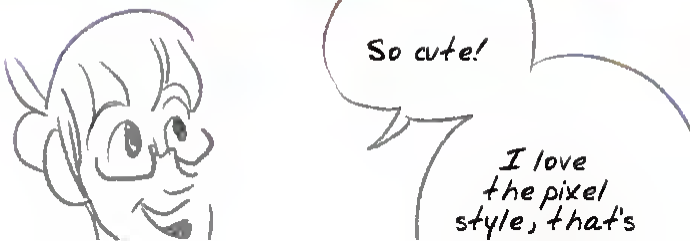
Have I ever showed you guys this?
I can't remember.
I drew it two years ago when I was preparing to submit Space Boy to Webtoon's first talent search contest.

Can you believe I've been drawing Space Boy for that long?

And the story is just beginning!

Coco

"Hey there! My name is Katherine I'm 12 (turning thirteen July 22) and I love space boy. I made this fan art to show my appreciation!"



awesome.

Mara

"I drew Amy and Oliver! They're such wonderful characters! I used a lot of sparkly pen but it didn't show up because of my camera."

Cip

"i really like your webtoon"
